

857 Greenbag Rd Corridor PLANNING STUDY

Study Time Frame: 8/2014-2/2015 | Plan Horizon 2040

The Greenbag Road Improvements was recommended as a tier 1 project in the 2013-2040 Long Range Transportation Plan. Our purpose is that Greenbag Road will function as an attractive and effective transportation corridor for all users. It will provide a safe, convenient, and inviting traveling condition and support economic development envisioned by the community.

General Study Schedule
